

Automatic Guide

Navigating the Deals Screen

When you login to Automatic, you'll land on the Deals screen of your selected dealership. Everything you manage in Automatic starts here, so let's take a deeper look at each feature and function to set you up for working a deal.

Navigating Automatic

Assuming you've selected your dealership, your screen will look like this.

Filtering Deals

You'll be able to Search Deals, Filter Deals, and Create New Deals.

- 1. Search for deals by using the search bar
- 2. Click the Filter icon to filter deals by:
 - Financing Status, like Credit Application, Finance Intent, or Prequalified
 - Lead Source, which is where the course came from
 - Date Range, Disposition, or Other Specifics, like if the deal has a Trade-in
- **3.** To create a new deal manually, click the blue plus sign and follow the steps.

You'll get a quick glance of insight into your lead from the list on the deals screen.

Working the Deal

Let's say you're ready to assign the deal to yourself and begin working on it.

Click the 3 dots and select "Assign to Me."

- 1. Select Quick Look to see a pop-up window of application details
- 2. Select Garage Link to get the shopper re-engaged with their vehicles of interest
- 3. Click **Go to Garage** to work the deal or finalize the application

This will be your view of the detail page. You're ready to begin working your deal!
